5-gallon pail	43.8 lbs.	55

D.O.T. Shipping Information: Nonhazardous

HMIS: Health 2, Flammability 0, Reactivity 0, Protection C

Application Information

Procedures

Mist on CC400 full strength or diluted up to 10:1 depending on dirt level on a wet roof and scrub soap into surface with the 24" applicator brush or a soft-bristle broom. For stubborn areas, use a floor scrubber. Rinse with high-pressure water and make sure to remove all residue.

Performance Tips

Mix to a uniform consistency. Mixing up the bottom is very important.

Safety Precautions

This is a caustic soap that may cause burns to skin and eyes in concentrated form. Wear protective clothing and wash soap off hands with clean water.
